INFORMATION

Insurance – Houses, studios and galleries are not covered by the Festival's public liability insurance.

It is a part of the Terms and Conditions, which must be agreed to when registering to take part in the Artists Open Houses festival, that all open houses take out public liability insurance. If someone has a serious accident in your house, you could be sued for a great deal of money.

It is essential that you are insured with public liability insurance when you have members of the public visiting your home or studio. This type of insurance will generally cover public liability only, i.e. injury to people visiting your house and not value of the work displayed. It is also possible for individual artists to take out their own insurance to cover possible loss or damage to their own work if they choose to. We recommend taking out public liability insurance with the Artists Newsletter (AN) AIR. <https://www.a-n.co.uk/about/insurance> AN AIR operates the only policy dedicated to artists and costs around £40 per year. If you are an artist, the policy will provide around £5m cover. There are a variety of options, so it's worth taking a good look to check the details of what is covered.

Don't try to add this insurance to your household insurance as it may invalidate it or raise your premiums astronomically!
