## INFORMATION:

**Insurance** – Houses, studios and galleries are not covered by the Festival's public liability insurance.

**It is a part of the Terms and Conditions**, which must be agreed to when registering to take part in the Artists Open Houses festival, that all open houses take out public liability insurance. If someone has a serious accident in your house, you could be sued for a great deal of money.

**It is essential** that you are insured with public liability insurance when you have members of the public visiting your home or studio. This type of insurance will generally cover public liability only, i.e. injury to people visiting your house and not value of the work displayed. It is also possible for individual artists to take out their own insurance to cover possible loss or damage to their own work if they choose to.

**We recommend** taking out public liability insurance with the Artists Newsletter (AN) AIR.

<https://www.a-n.co.uk/about/insurance> AN AIR operates

the only policy dedicated to artists and costs around £40 per year. If you are an artist, the policy will provide around £5m cover. There are a variety of options, so it's worth taking a good look to check the details of what is covered.

**Don't** try to add this insurance to your household insurance as it may invalidate it or raise your premiums astronomically!

**Publicity** – Brochures will be distributed to all artists for their own publicity, there will be a set number per artist. Those participants willing to help distribute them to places of work, libraries and other locations will of course be given extra to do so.

**Brochures** will be made available at the earliest opportunity. Brochures – EKOH brochures will be available from the same locations as the Festival brochure and from the Box Office.

**Images** - are selected by the Festival Office brochure designer to create a balanced design.
